

CITRIX® +  **APPLIED**

The simple, secure way to access, share and store files in the cloud.

This partnership makes it easier than ever for agencies to secure, share and access files on any device anywhere. No downloads or extra steps required. Plus, with the ShareFile Plugin for Microsoft, you can securely send files directly from your Outlook inbox.

Why your agency should start using Citrix ShareFile today:

Business-class file sharing.

Send, access and store all your files and content in a few simple clicks. No more cumbersome FTP, CDs or thumb drives required.

Seamless and reliable storage connectors.

Connect directly to storage providers — like OneDrive and Google Drive — for a single point of access to all your files.

Powerful apps and Integrations.

Microsoft Office 365, Desktop app for Mac, ShareFile Plugin for Microsoft Outlook, ShareFile for Gmail and more.

Security you can trust.

Keep your files and sensitive customer data protected a round the clock with full audit log, biometric data capture, and 256-bit encryption.

Freedom on any device.

Use your PC, Mac, iPhone, iPad or any Android device to securely access and send files—no downloads, no plugins, no hassle.

To start sending files the simple way, contact Gil Rosario at Gil.Rosario@Citrix.com or visit ShareFile.com.

Citrix (NASDAQ:CTXS) is a leader in virtualization, networking and cloud services to enable new ways for people to work better. Citrix solutions help IT and service providers to build, manage and secure, virtual and mobile workspaces that seamlessly deliver apps, desktops, data and services to anyone, on any device, over any network or cloud. This year Citrix is celebrating 25 years of innovation, making IT simpler and people more productive with mobile workstyles. With annual revenue in 2013 of \$2.9 billion, Citrix solutions are in use at more than 330,000 organizations and by over 100 million people globally.

Applied Systems is the leading global provider of cloud-based software that powers the business of insurance. Recognized as a pioneer in insurance automation and data exchange between brokerages, insurers and their clients, Applied is the world's largest provider of agency and brokerage management systems, serving customers throughout the United States, Canada and the United Kingdom. By automating the insurance lifecycle, Applied enables millions of people around the world to safeguard and protect what matters most.
