

ShareFile for real estate professionals

The all-in-one solution for file sharing, e-signatures, and secure remote access.

Helps your agents, brokers, and property managers stay productive from any device, any time.

No file size restrictions and the secure storage you need

Easily streamline document workflows and share large and sensitive files without the headaches.

Business-class security and reliability

Keep client and business information safe with more than 25 customizable security settings plus bank-level data encryption.

Documents signed in minutes

Streamline document signing and cut down the sales process by up to 93% with legally binding e-signatures.

Secure remote access to desktops

Give your team the ability to access office PCs and servers from any device, any time—all without the extra trip to the office.

Easy-to-use interface and 24/7 technical support

Learn to use ShareFile in minutes. If you or your team members need help, get support around the clock from real people.

One customized portal for managing files

Make it easier for your team and clients to securely upload, download, and share files using a single custom-branded portal.
